

Provide CPR

Duration:

3 Hours

Max Students:

15

Designed for:

This nationally recognised course describes the skills and knowledge required to perform cardiopulmonary resuscitation (CPR) in line with the Australian Resuscitation Council (ARC) Guidelines. This unit applies to all workers who may be required to provide CPR in a range of situations, including community and workplace settings. There are legislated requirements in each state in relation to this training. These requirements will be documented in each states approved code of practice for first aid.

Pre-requisites:

Nil

Co-requisites:

Nil

Pre-entry Requirements:

Unique Student Identifier (USI) - www.usi.gov.au

Fitness to participate declaration

Sufficient language, literacy and numeracy skills to complete the course

Enclosed footwear

The ability to perform CPR on the floor

Description:

This course provides participants with the confidence and competence required to perform CPR on an unconscious casualty. The training course is taught according to the Australian Resuscitation Council (ARC) Guidelines. This course takes personnel through both the theory of why we do CPR and many practical exercises that emphasise the 'how' we perform CPR.

Content:

The following items are covered during the conduct of the training:

- Assess the incident scene
- Conduct D-R-S-A-B-C-D
- Cardiopulmonary Resuscitation techniques
- Roll patient into recovery position
- Handover to Medical personnel
- Manage a choking patient

CITB Funding SA courses only (Total cost with valid membership is \$35). To enrol into a CITB funded course, please contact the SA Training Coordinator on 1800 655 510 or email training@fsaus.com.au.

**Unit of Competency**

HLTAID001 Provide cardiopulmonary resuscitation
