For GWO Basic Safety Training - Initial courses that include units of competency, FSA must trade in accordance to ASQA (Australian Skills Quality Authority) guidelines and only take a deposit of \$1500 where the fee is being paid by a private student/learner; where fees are being paid by a corporate client, the full amount if the course is charged at time of booking. The outstanding fee amount after the \$1500 can only be processed within 7 days prior to the commencement of the course.

On booking your course, we request that advise which of the following options suits your situation:

Option One: Your employer is paying for the course and you need an invoice for the full amount

Option Two: You as the student are paying for the course and will be paying the \$1500 now with the balance paid within 7 days prior to the commencement of the course

Once we have received notification of which option you have chosen, we will send you an invoice for either the full amount or deposit and final instalment/balance for the remaining amount.

The GWO Basic Safety Training - Initial payment plan will be worked out as follows:
